HighMark Capital Management, Inc. (HighMark), an SEC-registered investment adviser, is a wholly owned subsidiary of MUFG Union Bank, N.A. (MUB). HighMark manages institutional separate account portfolios for a wide variety of for-profit and nonprofit organizations, public agencies, public and private retirement plans, and personal trusts of all sizes. It may also serve as sub-adviser for mutual funds, common trust funds and collective investment funds. MUB, a subsidiary of MUFG Americas Holdings Corporation, provides certain services to HighMark and is compensated for these services. Past performance does not guarantee future results. Individual account management and construction will vary depending on each client's investment needs and objectives. **Investments employing HighMark strategies are NOT insured by the FDIC or by any other Federal Government Agency, are NOT Bank deposits, are NOT guaranteed by the Bank or any Bank affiliate, and MAY lose value, including possible loss of principal.**

Information presented under Top 10 Holdings, and Sectors is based on a representative account within the Small Cap Core Composite, and on a trade date basis. A list of all holdings from the prior one-year period is available by calling (800)582-4734 or emailing contactus@highmarkcapital.com. As of September 30, 2017 the composite consists of equal to or less than five accounts, and it represents 1.23% of the total firm assets. The minimum portfolio size for inclusion in the composite is \$500,000. The benchmark for this composite is the Russell 2000 Index. The benchmark is used for comparative purposes only and is provided to represent the market conditions during the period shown.

The benchmark measures the performance of the small-cap segment of the U.S. equity universe. The Index is a subset of the Russell 3000® Index representing approximately 8% of the total market capitalization of that index. It includes approximately 2,000 of the smallest securities based on a combination of their market cap and current index membership. Benchmark returns do not reflect the deduction of advisory fees, custody fees, transaction costs, or other investment expenses. The benchmark returns assume the reinvestment of dividends and other earnings. An investor cannot invest directly in an unmanaged index. Gross returns are presented before management and custodial fees but after all trading expenses and reflect the reinvestment of dividends and other income. Client's return will be reduced by the advisory fees and other expenses it may incur as a client. Fees charged are at the discretion of HighMark and MUB; investment advisory fees are described in HighMark's Form ADV Part 2, which is available upon request. Past performance does not guarantee future results. Individual account management and construction will vary depending on each client's investment needs and objectives. Specific securities identified and described do not represent all of the securities purchased, sold or recommended for advisory clients, and you should not assume that investments in the securities identified and discussed were or will be profitable.
